

Super Savers

Yes, your skin deserves the royal treatment, but that doesn't mean you have to spend a king's ransom on your routine. These outstanding drugstore picks come straight from top dermatologists, so you can pamper—and protect—yourself for a whole lot less.

1 | THE BODY SCRUB

Abrasive exfoliants can scratch up your skin. **Avene Gentle Scrub** smooths with biodegradable jojoba-wax beads and nourishes with three plant-based oils. \$24.

2 | THE BODY WASH

Dove Instant Foaming Body Wash employs gentle cleansing ingredients that don't strip your skin barrier, says NYC dermatologist Joshua Zeichner. \$6.

3 | THE FACE CLEANSER

Soap-free **CeraVe Hydrating Cream-to-Foam Cleanser** is a favorite of San Antonio dermatologist Vivian Bucay. The sudsy wash leaves skin baby-soft. \$14.

4 | THE ANTIOXIDANT

Zeichner loves **Bliss Bright Idea Vitamin C + Tri-Peptide Collagen-Protecting & Brightening Serum**; it contains a stabilized and potent form of the free-radical forager. \$27.

5 | THE RETINOL

Roc Retinol Correxion Line Smoothing Night Serum Capsules deliver an ideal nightly dose of the wrinkle-reducer. \$33 for 30.

6 | THE SUNSCREEN

Aveeno Positively Radiant Daily Moisturizer Broad Spectrum SPF 30 does more than thwart sun damage: Light-reflective mica helps to illuminate skin. \$15.

7 | THE NIGHT CREAM

A gel-cream formula and mega hydration courtesy of shea butter and glycerin make **La Roche-Posay Toleriane Ultra Night Soothing Repair Moisturizer** a score for all skin types. \$30.

8 | THE EYE CREAM

Wake up dullness with **Olay Regenerist Vitamin C + Peptide 24 Brightening Eye Cream**. It also contains niacinamide to help even out tone. \$39.
